

Project Completion Fact Sheet

PROJECT NAME	Solar PV System for Grace Health Clinic in Rupandehi
Location	Dhakdhai VDC - 6, Rupandehi, Lumbini Zone, Nepal
Partners' name	Grace Health Clinic / GHSF Nepal
Start date	March 2016
End date	May 2016
Project type / technique	Solar Power
No. of beneficiaries	Around 2300 patients / per year.
Lesson learned	<ul style="list-style-type: none"> • To have a stable power back up in the health institution help to win the trust of the villagers regarding the service delivery; • It's tricky to operate the project in the rented place as the landlord's decision (of expanding or remodelling the house) might affect the project;
Financial contribution	The partner : n/a.
	Community : n/a.
	Unica: 100%
