

Project Completion Fact Sheet

PROJECT NAME	SAIMARANG IMPROVED COOKING STOVE PROJECT
Location	Saimarang village of Kaski district
Partners' name	Nepal Red Cross Society (NRCS), Kaski
Start date	March 2015
End date	October 2015
Project type / technique	Improved Cooking Stove (ICS)
No. of beneficiaries	138 household (678 people)
Lesson learned	<ul style="list-style-type: none"> • The VDC cooperated well as they were in a row to declare ODF campaign; • To cut the firewood into smaller size was initially taken as burden by the beneficiaries; • People were keeping the option of the open fire (traditional stove) also open and used that for big cooking in the big pans.
Financial contribution	Alternative Energy Promotion Centre (AEPC): 25.65% Community : 17.40% Unica : 56.95%
