

Project Completion Fact Sheet

PROJECT NAME	LUMLE IMPROVED COOKING STOVE PROJECT
Location	Lumle village of Kaski district
Partners' name	Nepal Red Cross Society (NRCS)
Start date	May 2014
End date	November 2014
Project type / technique	Improved Cooking Stove
No. of beneficiaries	55 household
Lesson learned	<ul style="list-style-type: none"> • As the whole village was not covered; there was a dispute at the grassroots level; • To cut the firewood into smaller size was initially taken as burden by the beneficiaries; • People were keeping the option of the open fire (traditional stove) also open and used that for big cooking in the big pans.
Financial contribution	Community : 16%
	Alternative Energy Promotion Centre (AEPC): 23%
	Unica : 61%
